

WIN-WIN SOLUTION

FOR IMPERIAL COUNTY

A better site • A public benefit • Shared tax revenue • Jobs and growth.

Imperial Avenue — new retail, jobs, and the relocated data center, set well beyond the homes on the horizon.

SMART LAND SWAP

Relocates to the **95-acre industrial site** at Imperial Ave & Clark Rd — over **½ mile from homes, zero direct impact**. The City annexes the 75-acre Aten & Clark site.

\$7 MILLION COMMUNITY GIFT

On permit approval, the full **75 acres is deeded FREE to the City** — park, soccer fields, playgrounds. A **\$7 million gift** to the community.

FAIR TAX SHARING

The **County receives 80%** and the **City 20%** of the millions in tax revenue the data center generates.

RESPONSIBLE WATER & POWER

Three zero-impact solutions for just **880 acre-feet** of water — while IID exports ~20% of supply and **61% of its electricity** out of the Valley. Ample capacity here; non-firm power.

THE WIN-WIN DELIVERS FOR EVERYONE

- ✓ Homes & neighborhoods fully protected
- ✓ City gains control + a \$7M park gift
- ✓ County & City both share the tax dollars
- ✓ Largest economic opportunity in county history moves forward
