A BETTER WAY FORWARD — COOPERATION BEATS LITIGATION

WIN-WIN SOLUTION

FOR IMPERIAL COUNTY

A better site • A public benefit • Shared tax revenue • Jobs and growth.

Imperial Avenue — new retail, jobs, and the relocated data center, set well beyond the homes on the horizon.

SMART LAND SWAP
Relocates to the **95-acre industrial site** at Imperial Ave & Clark Rd — over **¼ mile from homes, zero direct impact**. The City annexes the 75-acre Aten & Clark site.

FAIR TAX SHARING
The **County receives 80%** and the **City 20%** of the millions in tax revenue the data center generates.

\$7 MILLION COMMUNITY GIFT
On permit approval, the full **75 acres is deeded FREE to the City** — park, soccer fields, playgrounds. A **\$7 million gift** to the community.

RESPONSIBLE WATER & POWER
Three zero-impact solutions for just **880 acre-feet** of water — while IID exports ~20% of supply and **61% of its electricity** out of the Valley. Ample capacity here; non-firm power.

✓ Homes & neighborhoods fully protected

✓ County & City both share the tax dollars

THE WIN-WIN DELIVERS FOR EVERYONE

✓ City gains control + a \$7M park gift

✓ Largest economic opportunity in county history moves forward

SUPPORT THE WIN-WIN SOLUTION
Choose cooperation over conflict. Progress, parks, and prosperity together.
Imperial County is strongest when we work together.

A better industrial site • A new public park • Shared prosperity • Jobs & growth for our families
